

## AMBULATORY EQUINE REPRODUCTION VETERINARIAN

Goulburn Valley Equine Hospital is seeking an associate, ambulatory veterinarian with a reproduction focus to join our well-established, active practice. The successful applicant will join a dedicated team addressing and working with your strengths and experience.

We are a large practice and referral hospital with a diverse and broad caseload across many different disciplines ranging from emergency medicine, orthopaedics, sports medicine, soft tissue, dentistry, and reproduction. The position offers the opportunity to perform high quality medicine with the added benefit of consultation with highly regarded, specialized veterinarians in their fields.

We seek an individual with a forward-thinking and positive attitude that can function well as a part of our team. Must have excellent communication and people skills, a strong work ethic, and a desire to provide exceptional client service. The candidate will join a dynamic staff that consists of 11 veterinarians, including up to two board-certified reproduction specialists, up to two board-certified surgeons and two board-certified medicine specialists. Our team also includes veterinary interns, many support staff and The University of Melbourne students.

The ideal candidate must be experienced in general equine and stud medicine with considerable skill and proficiency with all aspects of equine reproduction. An interest in artificial reproduction technologies is beneficial as our facility hosts mares for artificial insemination using fresh, chilled, and frozen semen along with a large recipient mare herd for embryo transfer. The facility also has an active stallion program, quarantine, and semen storage facilities.

We are always looking to the future and the opportunities are endless for the right candidate!

Salary will be competitive and commensurate with abilities and experience. Candidates must be eligible for registration with the Veterinary Practitioners Registration Board of Victoria. If you would like to learn more about the position and our team, please send your CV and letter of intent to the Practice Manager at [robert.ralston@gvequine.com.au](mailto:robert.ralston@gvequine.com.au)
