

FULL TIME / PART TIME EQUINE VETERINARY SURGEON.

We are seeking an equine veterinary surgeon to join our sociable and supportive young team based in an area of outstanding natural beauty in County Down.

Our practice is a busy first opinion equine practice with a true mix of pleasure, sports and racehorses. We are seeking an equine vet to help in the development of an established and busy practice in County Down. We are fortunate to see a hugely varied caseload on a daily basis and have an impressive amount of all the usual equipment to support this. Clinical freedom with cases is actively encouraged, case discussion between the team is a natural part of our daily practice and support is on hand when needed. The successful applicant will be ambitious, goal orientated and most importantly sociable to fit into our current team. Work life balance is valued and the practice is structured accordingly. We encourage the team to work with us and not "for" us. We take pride in the modern progressive package and working environment the practice can provide. An interest and experience in dentistry and stud medicine is desirable. We require a confident equine vet and will consider applications for a part time position.

The package will include:

- 1:4 rota with a day off in lieu after weekends on call.
- Out of hours commissions paid
- Profit share based bonus scheme
- IEVA, RCVS, and VDS included
- Life insurance and income protection policy's provided.
- £1000 CPD budget
- Fully equipped car
- Base salary from £34k up and commensurate with experience
